

## Blue class

Blue class have been very busy making more delicious treats which we are sure their families have enjoyed! We have been thinking about how to use descriptive language to describe everyday items. We had symbols to help us to describe such things as spades, bottles, paper, fabrics and cups. It was quite tricky but we all rose to the challenge and came up with some fantastic descriptive words! We have been learning about the artist Andy Goldsworthy and his amazing Land Art. We had fun collecting lots of natural material from outside and then made our own Land Art. It looked fantastic!
