

# Purple Class Monthly Update: May

In May ,Purple class engaged in discovering how the ancient Greeks ate, engaging in making their own fruit salad ,choosing what vegetables would want to have in their own Greek Salad.

For Creativity ,we are working with clay .Pupils are practicing different techniques that they can use when working with clay .They enjoyed rolling,patting ,splatting and pinching the clay . We mad natural clay art ,using leave to make a print onto the clay

In Music ,we are exploring different musical instruments .We explored string instruments ,developing our understanding that we need to touch the strings with our fingers to produce music .

May was all about developing our understanding of the world around us.
